## Intellectual Property Rights at the Border

Thursday, March 3, 2016

11:00am to 12:00pm CST

This one-hour webinar will review how holders of trademarks, trade names, copyrights, and patents can keep infringing products from being imported into our country. The instructor will also cover what importers should do if accused of infringement.

## Tariff Engineering and Other Ways to Reduce or Eliminate Customs Duties

Thursday, March 10, 2016

11:00am to 12:00pm CST

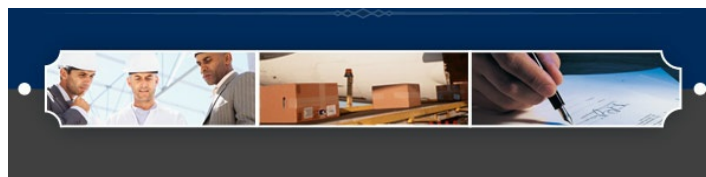

This one-hour webinar will review the legal and often overlooked ways for importers to reduce the duties that they pay. The instructor will cover international trade agreements, FTZs/bonded warehouses, and other programs with a special focus on tariff engineering.

## HUGE New Federal Law explained: The Trade Facilitation and Trade Enforcement Act of 2015

Thursday, March 17, 2016

11:00am to 12:00pm CST

President Obama just signed the most important trade law. What is it and how does it impact you? Topics include: antidumping/countervailing duties, new intellectual property rights protection, and a ban on forced/child labor importations.
