# International Trade Center

## Delivering Results Globally.

### ONE-ON-ONE TRADE CONSULTING

Our staff of CGBP credentialed business consultants are available to assist your company establish or expand its global business presence. Our **TIBA program** uses our traditional consulting, combined with specialized financial know-how, to assist foreign companies interested in starting operations in Texas.

### INTERNATIONAL MARKET RESEARCH

Our research team uses the most up-to-date resources and practices to find international market and trade information for small and medium-sized companies.

### INNOVATIVE TRAINING

Our webinars and live seminars deliver real-world expertise to companies throughout South Texas and the country. By concentrating on the “how-to” rather than just the “what,” our training provides participants with the information and skills to help them improve their international operations.

### POWERFUL ONLINE TOOLS AT SBDCGLOBAL.COM

SBDCGlobal.com is our free online platform that links 750,000 Small Business Development Center clients from the US, Mexico, as well as countries in Central and South America with international trade opportunities.

**The International Trade Center** was established in 1992 with the premise that our success is measured by our clients’ results. Today, when we look at our client’s successes, we are proud of what we have accomplished together.
